**REPORT AND RECOMMENDATION
OF UNITED STATES MAGISTRATE JUDGE
REGARDING JOINDER OR SEVERANCE**

This action is before the Court upon the motion of defendant Dennis Dinwiddie for severance of parties. The pretrial motions of all parties were referred to the undersigned United States Magistrate Judge pursuant to 28 U.S.C. § 636(b). An evidentiary hearing on the motions of defendant Dinwiddie was held on September 14, 2007.

Defendant Dennis Dinwiddie has moved for severance and a separate trial. Defendant appears to contend that joinder of these defendants for trial would be prejudicial. In such a case, the moving defendant would be entitled to a separate trial. Fed. R. Crim. P. 14.

In this case the government consents to a separate trial for defendant Dinwiddie and does not oppose the motion to sever.

Whereupon,

IT IS HEREBY RECOMMENDED that the motion of defendant Dennis Dinwiddie to sever his case for a trial separate from that of his co-defendants (Doc. 230) should be sustained.

The parties are advised they have ten days from this date to file written objections to this Report and Recommendation. The failure to file objections may result in a waiver of the right to appeal issues of fact.
